This chart lists technical certificate and applied technical diploma (ATD) programs and the TABE basic skills exit requirements for each program. PHSC administers and accepts only the most current forms of the TABE. The TABE level listed next to each program is the appropriate level that *must* be administered. Only the designated level of TABE will be accepted for each program. Individual student scores shall be valid for two (2) years or as long as a student remains continuously enrolled without a break of one (1) year.
